## Time Manager BugFixes!

Posted by sstark - 2007/07/07 16:19

---

I just fixed the bugs with the Time Manager.

Before, you were able to see everyone's projects and now you may only see your own.

Please note: You can un-assign yourself from a project, do not do this! Also, all company are visible to other users; a company is not private. The system is, however, only available to registered users. This WILL BE CHANGED shortly.
